Investment Strategy	<p>Baroda Pioneer 90 Day Fixed Maturity Plan - Series 3, 4 are close-ended debt schemes which will be listed on a Stock Exchange. The investment objective of the Schemes is to generate regular returns by investing in a portfolio comprising debt instruments, Government Securities, AAA/AA+ Bonds, and Money Market Instruments maturing on or before the maturity of the Schemes.</p> <p>The key factors of the investment strategy of the Schemes will be:</p> <ol style="list-style-type: none"> 1. Identifying attractive opportunities on the basis of the government policies, economic development, monetary policy, research report and overall economic conditions and development. 2. The issuer/companies selection for investment exposure would be based on financial parameters such as fundamentals of business, quality of management, turnover, financial strength of the company and the key earning drivers, net worth, Interest coverage ratio, profitability track record and the liquidity of the securities/instruments. 3. Issuer/Companies, which meet the initial selection norms, will then be evaluated on the financial norms for consideration for investments. The schemes would make its investment universe based on the spread and liquidity, to match the investment horizon with the maturity of the schemes. 4. The Schemes will emphasise on well managed companies, with above average growth prospects, whose debt securities can be purchased at a good yield and are rated as investment grade by a recognised authority like The Credit Rating and Information Services of India Limited (CRISIL), ICRA Limited, Credit Analysis and Research Limited (CARE) etc. 5. Investment in sovereign papers would be based on the interest rate expectations arising out of macroeconomic analysis. This includes analysis of inflation data, and trends in macro variables such as credit growth, liquidity, money supply, fiscal numbers and the global interest environments. 6. The Schemes have the flexibility to invest in the entire range of debt instruments and will seek to minimize interest rate risk while avoiding credit risk .The portfolio will be sufficiently diversified by investing in a number of issuers/companies without any restriction of market capitalization across the industries, so as to reduce the risk of a concentrated portfolio. 			

Risk Profile of the Schemes	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below :-</p> <ol style="list-style-type: none"> 1. Risk associated with investment in Fixed Income and Money Market instruments which may involve Interest Rate risk, Credit risk or default risk, Liquidity & Settlement risk, performance risk, prepayment risk and market risk etc. 2. Schemes may invest in securitized debt such as asset backed securities (ABS) or mortgaged backed securities (MBS) which involves risk like Payment Risk, Market Risk etc. 		
Risk Management Strategy	<p>RISK CONTROL/MITIGATION STRATEGIES</p> <p>Investment in debt securities carries various risks such as inability to sell securities, trading volumes and settlement periods, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification.</p> <p>In order to mitigate the various risks, the portfolio of the Schemes will be constructed in accordance with the investment restriction specified under the Regulations which would help in mitigating certain risks relating to investments in securities market.</p> <p>Further, the AMC has necessary framework in place for risk mitigation at an enterprise level. There is a Board level Committee, the Risk & Compliance Committee, which focuses on risk factors and methods and strategies for risk mitigation or migration.</p> <p>Risk control / Mitigation Strategy is as follows:-</p> <p>Liquidity Risk: The liquidity of the Schemes' investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. Liquidity Risk can be partly mitigated by diversification, staggering of maturities as well as internal risk controls that lean towards purchase of liquid securities.</p> <p>Interest Rate Risk: Changes in interest rates affect the prices of bonds. If interest rates rise the prices of bonds fall and vice versa. A well-diversified portfolio may help to mitigate this risk. Additionally, the fund will invest in securities maturing on or before the maturity of the fund. Hence, while the interim NAV will fluctuate in response to changes in interest rates, the final NAV will be more stable. To that extent the interest rate risk will be mitigated at the maturity of the schemes.</p> <p>Volatility Risk: There is the risk of volatility in markets due to external factors like liquidity flows, changes in the business environment, economic policy etc. The schemes will manage volatility risk through diversification. Further, the fund will invest in a basket of debt and money market securities maturing on or before maturity of the fund with a view to hold them till the maturity of the fund. To that extent the Volatility risk will be mitigated in the schemes.</p> <p>Credit Risk: Credit risk shall be mitigated by investing in rated papers of the companies having the sound back ground, strong fundamentals, and quality of management and financial strength of the Company.</p> <p>Concentration Risk: Concentrated investment in single security or single issuer - We have internal fund manager guidelines for maximum exposure to a single issuer and also concentration limits on account of large holdings to avoid undue concentration in portfolio.</p> <p>Event Risk: Price risk due to company or sector specific event - The endeavour is to invest in securities of issuers, which have high balance sheet strength in the investment horizon to eliminate single company risk</p>

Where the applicant is a minor, and does not possess his / her own PAN, he / she shall quote the PAN of his/ her father or mother or the guardian, as the case may be. In order to verify that the PAN of the applicants (in case of application in joint names, each of the applicants) has been duly and correctly quoted therein, the applicants shall attach along with the purchase application, a photocopy of the PAN card duly self-certified along with the original PAN Card. Prevention of Money Laundering & Know Your Customer (KYC) Compliance

Know Your Customer (KYC) Compliance

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines/circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds have to formulate and implement a client identification programme, verify and maintain the record of identity and address(es) of investors.

In order to make the data capture and document submission easy and convenient for the investors, Mutual Fund Industry has collectively entrusted the responsibility of collection of documents relating to identity and address of the investor(s) to an independent agency [presently CDSL Ventures Limited ("CVL")] which will act as central record keeping agency ('Central Agency'). As a token of having verified the identity and address of the investor(s) and for efficient retrieval of records, the Central Agency will issue a KYC Acknowledgement Letter (previously known as Mutual Fund Identification Number -MIN* Allotment Letter) to each investor who submits an application and the prescribed documents to the Central Agency.

Investors should note that it is mandatory for all applicants including individuals and non-individuals, NRI and channel investors (Corporate, Partnership Firms, Trusts, HUF, NRIs & investors of all channel distributors (Online Channel distributors)), irrespective of the value of their subscription, to quote the KYC Compliance Status of each applicant (guardian in case of minor) in the application for subscription and attach proof of KYC Compliance viz. KYC Acknowledgement Letter (or the erstwhile Mutual Fund Identification Number* (MIN) Allotment Letter) / Printout of KYC Compliance Status downloaded from CVL website (www.cvlindia.com) using the PAN Number. Applicants intending to apply for units through a Power of Attorney (PoA) must ensure that the issuer of the PoA and the holder of the PoA must mention their KYC Compliance Status and attach proof of KYC Compliance at the time of investment above the threshold.

The KYC status will be validated with the records of the Central Agency before allotting units. Baroda Pioneer Mutual Fund will not be held responsible and /or liable for rejection of KYC Form, if any, by the Central Agency. **Applications from all applicants including individuals and non-individuals, NRI and channel investors (Corporate, Partnership**

Firms, Trusts, HUF, NRIs & investors of all channel distributor)), without a valid KYC compliance may be rejected. Provided further, where it is not possible to verify the KYC compliance status of the investor at the time of allotment of units, the Trustee / AMC shall verify the KYC compliance status of the investor within a reasonable time after the allotment of units. In the event of non compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and affect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to payment of exit load, if any.

* Valid only where investors who have already obtained the erstwhile Mutual Fund Identification Number (MIN) by submitting the PAN copy as the proof of identity.

SEBI has made it mandatory for all applicants (in the case of application in joint names, each of the applicants) to mention his/her Permanent Account Number (PAN) irrespective of the amount of purchase. Where the applicant is a minor, and does not possess his/ her own PAN, he/ she shall quote the PAN of his/ her father or mother or the guardian, as the case may be.

In order to verify that the PAN of the applicants (in case of application in joint names, each of the applicants) has been duly & correctly quoted therein, the applicants shall attach along with the purchase application, a photocopy of the PAN card duly attested by the distributor / agent (AMFI registered) through whom the application is effected or by Bank Manager or Notary or Investor Service Centres of Baroda Pioneer Mutual Fund or ISCs of KARVY. Attestation will be done after verification with the original PAN card.

Applications not complying with the above requirement may not be accepted/processed. Additionally, in the event of any application form being subsequently rejected for mismatch of applicant's PAN details with the details on the website of the Income Tax Department, the investment transaction will be cancelled & the amount may be redeemed at the applicable NAV, subject to payment of exit load, if any. Please contact any of the Investor Service Centres / KARVY / Distributors or visit our website www.barodapioneer.in for further details. If PAN already validated along with MIN, please don't attach any proof.
